## Swimming Pool Checklist

Permitted Pools = pool that can hold more than 200 gallons and stay in one pace for more than 48 hours

Checkl	ist:
	Cover for pool must met ASTM Standards (should be on labeling on the cover)  Cover must be on pool when the pool is not in use  Make sure that the drainage plan takes the water to the street in a hose or other similar device.  Zoning Certificate is valid for the life of the pool unless the pool size or location changes  Pool can only be located on side or rear yards (check to see which setbacks apply as listed below)
Setbac	ks: the pool is within 10 feet of building – (RR District)
	Side yard = 25' from property line  Rear yard= 50' from property line
When	the pool is within 10 feet of building – (R-1 District) Side yard = 6' from property line Rear yard= 25' from property line
When	the pool is within 10 feet of building – (R-2 District) Side yard = 8' from property line Rear yard= 25' from property line
When	the pool is greater than 10 from building Side yard = 5' from property line Rear yard= 5' from property line
