GOLF CART/ATV/UTV ETIQUETTE

Remember to get your city tags!

Promote a positive image of recreational motor vehicle behavior by;

- Being a responsible and safe rider. Don't take chances that endanger yourself or others.
- Being courteous to others and respecting private property. Stay off of private property if you don't have permission.
- Driving on the most right side of the roadway. Do not drive down Hwy 52; however, crossing it is okay when it can be done safely.
- Demonstrating courteous behavior/attitude toward your surroundings, other outdoor users, landowners and lawmakers.

Be safe, enjoy our community, and have a wonderful summer!

DOG-WALKING ETIQUETTE

Did you get your pet license?

Following a few ground rules will help keep pets & people safe:

- Use a Leash. While dogs may have excellent recall, there's no telling what might trigger them to bolt or involve them in a contentious situation with another dog or a person. Even though the city ordinance language states that your dog must be under your control at heel by command or leash, having your dog off leash is risky and may make others uncomfortable.
- Be Respectful. This goes for people and property alike. Don't let your dog run up to or jump on other people; keep them close to you so others can pass you without the fear of falling. Also, keep them off neighborhood lawns. Landscaping is expensive and time-consuming, and dog pee is a lawn killer.
- Pick Up Your Dog's Poop. It is unlawful to permit a dog (or cat) to defecate on any private property without consent or on any public property unless immediately removed and placed in a proper receptacle.
