## WEEKLY RECYCLING & GARBAGE PICK UP—BEGINNING OCTOBER

### GARBAGE & RECYCLING PICK UP SCHEDULE

Monday	Tuesday	Wednesday	Thursday	Friday
	City Wide Recycling PU	Fillmore County Garbage PU	Olmsted County Garbage PU	

Recycling will be collected every Tuesday for all Chatfield residents beginning in **October**. Garbage collection will remain the same, with the Fillmore County residents on Wednesday and the Olmsted County Residents on Thursday.

The Chatfield solid waste program is designed to encourage recycling, to be neat and clean and to charge fees based on the volume of trash generated by each user.

The more each household recycles, the lower the volume of garbage, in turn passing the savings directly to the user by reducing the number of contractor garbage bags that need to be purchased. The "bag system" is designed to be a win / win system both for the environment and the consumer.

If you are having trouble with animals getting into your bags and making a mess before they are picked up, you may leave the filled and tied yellow bag in your own container at the street and tied yellow contractor bag will be removed and your container will be left for you to reuse, just as the recycling containers are.
