RE: Municipal Bond Continuing Disclosure Services

Dear Kay:

SEC regulations require cities to provide limited or full annual financial information to the financial world for some of their bond issues. This "continuing disclosure" is generally required for all issues over \$1 million. The following bond issues of Chatfield are affected by the *Full* continuing disclosure requirement (meaning you are required to file certain information by December 31 of each year for the life of the bonds).

1. **\$1,725,000 G.O. Bonds, Series 2014A**
2. **\$1,990,000 G.O. Crossover Refunding Bonds, Series 2012A**
3. **\$7,005,000 G.O. Disposal System Refunding Bonds, Series 2011A**
4. **\$1,455,000 G.O. CIP Refunding Bonds, Series 2010A**

David Drown Associates is available to complete and file this report on behalf of the City. Our annual fee is \$1,000 per year for each class of issues (all G.O. bonds are typically one class, for example) and \$200 for each bond issue within that class, up to an annual maximum of \$1,500 dollars per class plus expenses. Due to changes to Continuing Disclosure Requirements, we are waiving the \$1,000 base fee in any year in which we do not have to update the information found in the Official Statement.

For the 2014 year-end report due by December 31, 2015, I will need to update the Official Statement (we did not need to last year) and purchase County Auditor Certificates from both Fillmore and Olmsted County's. The annual fee will be capped at \$1,500 plus the Certificate cost. Unfortunately the total Certificate cost is \$400 (Olmsted charges \$300 and Fillmore charges \$100). However, should Chatfield issue bonds any time between now and May/June 2016 we will be able to use these Certificates and not have to purchase them again. The total fee will \$1,900 this year.

If you would like us to this Report for you, imply sign and return the attached Report of Significant Events form at your convenience. Please feel free to contact me at the above number or via e-mail (elizabeth@daviddrown.com) if you have any questions at all.

Sincerely
