Signs Must be on Private Property ONLY

Signs are not allowed to be placed on city road right of way under state law (Minn. Stat. 160.2715). City right of way includes public streets, bridges, medians, bike lanes, sidewalks, boulevards and trails. In most cases where sidewalks are present, City right of way extends to at least the edge of the sidewalk closest to private property.

Unlawfully placed signs on city right of way will be removed and held at the Public Works Building.

The Public Works Building is located at 382 Main Street South. Pick up may be coordinated by calling 507-273-9597.

Congratulations Mitch Irish & Beth Carlson!

The City of Chatfield would like to congratulate two staff members for outstanding performance awards, pursuing continuing education in their field, and for achieving honorable levels of certification.

Minnesota Wastewater Operators Association awarded Mitch Irish the 2019 Class C Operator Award. Steve Bushman from WHKS nominated Mitch for this prestigious award for Mitch's outstanding work at the City of Chatfield's Wastewater Treatment Plant in 2019.

Mitch was first nominated for the Southeast Section in Minnesota (6 sections total) and then continued to win the Class C Award for the entire state of Minnesota.

Mitch's accomplishments are many, but in the 5 years of his experience, Mitch continues to reach for continued education in the field. His operational skills and broad involvement in the city have earned him respect from his peers.

Minnesota Clerks and Finance Officers Association (MCFOA), awarded Beth Carlson with the Minnesota Master Municipal Clerk (MMMC) designation. The MMMC designation is more than a pin, a certificate and four letters at the end of Beth's name. It is a declaration that she is proficient in her role and that she has demonstrated mastery of administrative skills critical to good government.

Beth's contributions to the City Offices and Chatfield Community are many, but Beth's continuous pursuit of education and professional development are commendable and this Minnesota Master Municipal Clerk designation is impressive.

Congratulations to Beth and Mitch for your accomplishments.
